Ref.

Dear Dr Richard Luigi Di Natale,

Leader

Australian Greens

We, Nepali Greens have been shocked and deeply saddened to know about the deadly bushfires and its devastating impacts, the heavy loss of lives and property in Australia.

We would like to extend condolences on the loss of lives of many people and millions of animals, irreparable loss of flora and fauna, extensive damages of properties in the wake of devastating bushfire engulfing many parts of Australia. We would like to extend our deepest sympathies to families and loved ones of those Australians killed in the tragic bushfires.

We are confident that the ongoing efforts of government, Australian Greens and the people of Australia in combating the crisis would be successful leading to the recovery of the affected areas from the tragic incident.

At this moment of sadness, we, Nepali Greens would like to send our thoughts and prayers to all Australians. We are ready to join hands of Australian Greens to combat potential environmental threats in the future.

Beekay Shrestha

Leader/President
